B. Club Dinners:

- > September 23, Black Otter Supper Club – Hortonville
- > October – To Be Determined – Discuss at our Meeting 9/8

C. New Business:

- > Club dues update and letter to the current sponsors.
- > Discussion about future meeting locations at some of our sponsors or new locations that have adapted to the virus impact. It appears that we have a couple of locations that are willing to accommodate us at no charge – so we will continue to switch back and forth between these locations and utilize their services and excellent choices of food and beverages.
- > Formats for future cruising and how long we will be affected, continues to be a concern. But we can still plan a cruise and look at places where there is outdoor patio areas or if the inside sitting area is roomy, and able to still do social distancing and still have a good time. Cooler weather is starting to make its way to Wisconsin and we may have an early winter.
- > Discussion on whether we should continue holding our monthly meetings through the winter months or hibernate for the first few months until the thaw brings warmer weather.

D. Club Trips:

- > Sunday - September 13th – Waubesa Lake Lodge Packer Party against the Vikings. Nine (9) rooms have been reserved for our club. Packer Party is \$30.00 per person. Reservation should be made ASAP and you can coordinate with Tom and Eileen (trpolzin@aol.com or babebrennand@new.rr.com).
